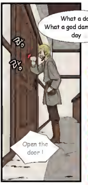
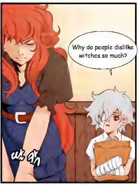
Hmm...
..
This is driving me nuts We walked for a while and he hasn't said a word !
Mmm-
I don't feel like I have done a good deed
Hey, kiddo, look forward when walking
Are you tired? Are you angry because I made you carry?
I am fine
Don't give me empty answers. Look forward when walking. You are gonna
!!
Ah... ugh !
Uhh
..!!
... See ?! I told you to look forward when walking !
... Stand up! I told you to look forward when walking!
깜짝
..!!
I told you to listen !
Do not get sent back here. Do you understand?!
I am sorry! I am sorry! I am picking them up! I am so sorry!
This won't happen again !
That's enough.
You can't even grab things well with hands like that
..!!!
Look at you.
Who'd purchase you?
Listen to me when I say something!
You really ... !!
....!!!
I told you to look forward when ... Sigh Look at you now
I liked the new suit of yours...
...
What ... Do you miss her or something?
No ...
Really? Because you didn't say a word until now since you left there.
Or you couldn't say anything because you were trying not to cry
No, I am not going to cry. I am not !
... Listen, kiddo
You can cry because you are a kid Kids should cry when they feel like it because they are kids
Why should you resist crying? You are not an adult
Kids don't need to care about situations. They cry when they feel like crying
... The mother superior told me no one likes crying kids
So, I am not gonna...
Who is your owner now?
I don't care what the old hag told you
If you want to cry, just cry like all kids do
That's the reason I took you away from there
I didn't buy you for any other reasons
But she said ...
..!!!
Cry. NOW !
I do not want you to cry and whimper at home ! Cry all you want outside !
Nough ... whhhy daaa eee need to cyrrr ? [No why do I need to cry?]
Cuz if you cry at the inn, people are gonna misunderstand me !

Who cares what the old hag told ya? Cry, I say! Cry, damn kid!
Nyyy, mtsd - wann-dac cr-as - she sa-dg-dfdsf
(No, I am not going to cry. She said...)
Nyuuuu
Just who is she?
Just what has she done to this kid?
...
Oh, man, this is hopeless. The kid doesn't listen and I don't feel like I did a good deed
I don't feel like going back and return you for a refund. Just go wherever you wanna go, kid
..!!
...
Just follow the road we've been walking on and you will go back to the old hag. Whatever...
Bye-bye! If you ever see me again in the future, don't forget to pay me back 2 millions!
There is no point for him to follow me like this
D... Don't go
You need to make a choice on your own... Either go back or follow me
If you want a fresh start you need to make a choice!
... Don't go !!!
Don't go!
Don't leave me! I am sorry! It was my fault!
Don't leave me! Don't abandon me!
I will listen! I will obey!
...
What the hell... Damn kid
I am not going back there. I am not going back there...
I don't wanna go back there ~
I am...
Waaaaa ~ I am going with you! I am going with you! Waaaaa
Sob... Sob
...
... You know what, kid? I hate crying kids. Whenever kids cry, I just wanna spank them
Yes, so cry all you want now
So, sooo meannnnn! You told me cry!
Cry all you want and forget the past. That is your job right now
You are ... really strange...
You...
Simply touched me and I can't stop crying...
Of course.
Witch's specialty is to make others cry
Sob... Liar, you said you were a magical girl!
Ooh... Damn kid... You call me a liar? I am your owner. No dinner for you!
Waaa! You are so mean! So mean!
Of course, I am. I am a witch after all
But you chose me as your owner, so be prepared.
THE CALLING 콜링
Cry! Now!
Puhahaha hahahaha
!!
Look at ya! You are all red! Even ears!
You don't... need to make fun of me...
Let me see your face one more time!
E, enough already! You made me cry!
You are a bad bad wi-
Nevermind! You are just bad!
Ok!
Don't look down. Look forward
Look forward ~
Fine, fine!
Fine!
I will look forw-

Welcome to March ! The oldest city ! The biggest city !
This is where all other countries began ! Doesn't that excite you ?!
And I am going to show you so much more from now on
So, keep your head up and look forward
...
What's this reaction ? Don't tell me this is the first time coming into the downtown?
깜짝
Y, yes...!
I was always inside of the church... The mother superior hated seeing me outside...
Which means you had no idea how big March is
Just to give you an insight. You need to walk for 2 straight days to crass the city
This city is like ... where everything from everywhere is filed up
everything?
March is surrounded by deserts and is bordered by the four countries. Merchants have to pass here
Merchants leave traces of cultures, technologies and so on.
Thanks to them, the west side of the city is literally a huge free market. The right side is blocked. I hear rich people live there.
This place we are walking is the west side. Merchants and commoners live here.
And... like your old hag said the pursuers and the pursued also live here...
So, she was right that you are being chased by really scary people...
What, are you scared now?
Don't worry too much. They are mostly at Northern part of the city
The inn I am staying at is located on Southern part It's fairly safe there.
So, nothing's going to happen ? That's good
Not really Merchants are also there and they do not like unnecessary troubles
The pursuers probably feel that they need to give some breathing space for the pursued.
Like you put food to catch cats ?
Food? Rat? Kekeke Anyway, no outside force is permitted here which is why the pursued are holed up here
I don't know how it works but March seems to have some influences I don't think I've seen ...
Hey, hey, move aside, everyone !
Huh?
Damn ... it's the Blackskull.
The largest group of pursuers
웅성
I guess they are returning from a hunt
Do not touch the prisoners!
웅성
Do you want me to take you as a prisoner as well ?!
They think they rule the world
I hear they have connections to nobles
That's obvious, isn't it ? How do you think they have a right to kill ?
...!?
Something smells good
...!!
I smell big money
Lucky for you, whoever you are ... because I am full today
... Here we are finally. This is the inn.
It's a little noisy and dirty, but this is one of the better ones here...
Hey, witch ! Where did you get that kid from ?
Just what is up with today? Every where I go, they have to piss me off
Yeah. I came back ! I purchased a kid to eat him ! You got a problem with that ?!
If you want to call every woman a witch, fine ! So be it ! I am willing to go really crazy today
Is that so ~
Why don't you shout louder ? I am sure the pursuers will love to hear you
D, damn, it's the inn owner !
What do you want ? I still have days before next payment
Yes, but I see you are adding someone
And you want extra for that ? Who do you think I am ?
You think I am rich or something? I am already paying twice more.
True, this inn is expensive and another kid isn't an issue normally
But you are a witch.
I still serve you food I still let you stay here despite of the fact that you are a witch. That's just good services which you should pay for
This old man He's really pushing his luck here
빠드득



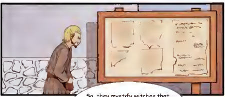
What a day ...
What a god damn fucking day ...
쾅
쾅
Open the door !



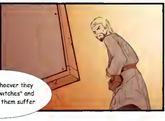
Why do people dislike witches so much?

That's because ..
they are all cawards.

Cawards need samething ta vent their angers at, samething that daesn't make them feel bad in daing sa



So, they mystify witches that they have no idea about and make them sound as bad as possible



They call whoever they don't like "witches" and enjoy seeing them suffer

They will only regret ... when they get a taste of their own medicine ...

FALLEN
WITCH
